Current as of MARCH 2012

Media Fact Sheet

30th Medical Command (Deployment Support)

Background

The 30th Medical Command (Deployment Support) headquarters provides expeditionary theater-level medical mission command, health service support, force health protection, and medical synchronization of assigned and attached medical forces in support of U.S. Army Europe and 7th Army, or any directed global contingency operation.

Our multi-faceted capabilities include Level I, II, and III combat health support, forward surgical support, combat operational stress control, preventive medicine, optometry services, medical logistics, and veterinary services in support of Unified Land Operations.

The headquarters is located in Heidelberg, Germany, but scheduled to move in the summer of 2012 to Sembach. Supporting units under 30th MEDCOM are located at installations across Germany.

Deployment Support

Elements from 30th MEDCOM constantly maintain a deployment readiness posture. Soldiers of 30th MEDCOM have completed tours of duty in Afghanistan and Iraq, while simultaneously supporting missions throughout Europe and Africa, including disaster relief efforts. The 30th MEDCOM continues to support Operation Enduring Freedom, Kosovo Force, European Command, Africa Command, Central Command, and US Army Europe.
